Subject: Reply to the Legal Notice.

Reference to your legal notice No. dated 25.09.2024.

In this regard, it is submitted that the said contempt notice has served by you keeping in view the Judgment/ Order dated 02.05.2022 titled as 'Jacob Puliyeel Vs Union of India' W.P. (C) No. 607 of 2021. In this said Judgment/ Order has firmly upheld the Golden Rule of a) Authorities and Doctors administering the vaccines are duty bound to take 'INFORMED CONSENT' from the parents and as well as advertise widely about the contents and adverse events of the vaccines; b) that no one can ask the parents their reason for refusing consent for administering vaccines to their children.

In the said contempt notice request was made to immediately order for the cease and desist of any activities, promotions, schemes, programs, campaigns related to the ongoing "Human Papilloma Virus (HPV) vaccination for so called prevention of the cervical cancer" among young girls, which are being conducted under your administration without the due compliance of the law of the land and to keep the same in abeyance pending the actual determination of this issue.

In view of the above, it is stated that Department of Health & Family Welfare, Chandigarh Administration is not administering the HPV vaccine in UT Chandigarh.
